SMT. MEENA DEVI DEWANGAN

Vision

To provide a stimulating learning environment which maximises individual potential and ensures that students of all ability levels are well equipped to meet the challenges of education, work and life.

Mission

DPS-JC Janjgir-Champa seeks to create a challenging learning environment that encourages high expectations for success through development-appropriate instruction that allows for individual differences and learning styles. Our school promotes a safe, orderly, caring and supportive environment. Each student's self-esteem is fostered by positive relationship with students and staff. We strive to have our parents, teachers, and community members actively involved in our students' learning.

Objectives

The school has a commitment to the highest standard of education for all pupils.
The emphasis is on care, providing excellent education, treating the pupil as a complete individual and ensuring their abilities and talents are nurtured and developed.
Inculcating a spirit of research and creativity and to develop talented and responsible citizens.
Providing a safe, secure, positive and enjoyable environment that builds self-esteem, self-confidence and the essential attitude necessary to become a supportive member of the society.
Developing an awareness of and respect for the interactive nature of diverse languages, cultures, customs and religions.

DELHI PUBLIC SCHOOL, JANJGIR - CHAMPA is a truly exceptional day cum residential school, where our faculty and the wider school community proudly reflect the shared vision, commitment, and energy necessary to ensure the educational success of every student. Discover real treasures without a map & we know that we are better off. We are happy that our school has successfully completed 6 academic sessions in Janjgir - Champa. We are delighted with the progress of our school which is a great learning destination in the district and nearby areas and the students do not have to migrate to other places in search of quality education.

We believe that each of our student is a unique individual with equal potential to make a positive contribution to our school and society. We aim to provide the direction, counsel, and support that each student needs to reach his/her full potential. While we have established high standards for academic achievement and performance, our educational programme has been created with an emphasis on the development of the person as a whole. At DPS - JC, parents, students, faculty and staff work together as a community to solve problems within a framework of fairness and shared values. With students from different geographies represented on campus, each of us has an exceptional opportunity to develop an understanding of, and appreciation for, the philosophies of people from many different cultures. We hope to have the opportunity to welcome you and your child to DPS-JC in future. And, of course, we hope that you can visit us to learn at firsthand what sets us apart in the world of modern education. "Bear in mind that the wonderful things you learn in your school are the work of many generations. All this is put in your hands as your inheritance in order that you may receive it, honor it, and one day faithfully hand it on to your child".

Message from the Principal

Mr. Mani Bhushan Choubey
Principal, DPS-JC

*"Children are living beings-more living than people who have built shells of habit around themselves. Therefore it is absolutely necessary for their mental health and development that they should not have 'mere school' for their lessons, but a world whose guiding spirit is personal". **Rabindranath Tagore***

Delhi Public School continues to uphold traditional values while adopting contemporary infrastructure and pedagogies. Individuals having diverse backgrounds, carrying unique streaks of values, traditions and cultures enter the portals of a learning community. At DPSJC, unrelenting effort goes in mentoring and metamorphosing the uncut diamonds into finer DPS gems.

DPS is an amalgamation of competent teachers, state of the art infrastructure, an idyllic setting and experienced and efficient administration. Modern and secure infrastructure, pollution free environment, CBSE curriculum, excellent pastoral care. Education is not learning by rote and then repeating it in the examination. Our approach is student centered and goes beyond text books, class rooms and boundaries. Students develop practical skills, enabling them to apply their learning to unfamiliar situations and think critically about different issues. These prepare them for a lifelong success. We have live multimedia presentations to facilitate deeper understanding of concepts. At the core of the school's educational philosophy, modern education and cultural heritage are complimentary and help the students to become better citizens. We inculcate in the children, a respect for Indian culture. This edifice and temple of learning will always be a source of never-ending inspiration for our young children. DPS nourishes, nurtures and binds our families by the tenacious threads of values and ethos.

Our staff dedicatedly follows the motto of "explore, research and achieve" in their quest for excellence. It is because of their selfless and relentless efforts that the school has reached majestic heights. We teach our students that failure is only the first step to success and they must stand up each time they fall; to rise like the phoenix from the ashes of what was yesterday and to soar with wings widespread into the opportunities of tomorrow. We are very grateful to our parents for their sincere involvement in the School. Without their single-minded co-operation between the school and home we cannot offer the holistic education towards which we are striving; 'Sarva Gunn Sampann'.

Prefectorial Body

Our School

DELHI PUBLIC SCHOOL, JANJGIR CHAMPA is a co-educational, day cum residential school with an enrollment of more than 950 students.

DPS-JC offers education from Nursery to Grade 12

The School is affiliated to — CBSE (Central Board of Secondary Education)

All lessons are delivered by facilitators who are specialists in their chosen field. Our teachers are skilled in presenting the challenging subject curriculum in ways that make it easier for students to learn effectively

Students' progress is continuously monitored in scholastic and co-scholastic areas and a comprehensive report is available at the end of every milestone test and exam for parents' reference

Students aiming at furthering their higher education and those preparing for competitive exams are provided adequate training and support

Students undergo an invigorating learning experience through a variety of contemporary learning aids and resources.

Individual learning is supported through a series of enrichment classes and workshops

Teachers work closely with students in the classroom, and one-on-one in small groups outside the classroom, to support their English language needs in listening, speaking, reading, and writing.

Highlights

950 + Students
10 Acres Campus
55 + Teachers
70,000 + Sq. Ft. School Building
75% of faculty from outside JC District
22 Vehicles for transportation

Schooling Level

Pre Primary Section

When a child first goes to school, leaving behind the warmth and safety of home, it is that child's right to be given the same sense of security at school. Recognizing this obligation, we have designed our pre-primary wing with special focus on very young child's needs. Every child is valued as an individual, and given the chance to develop in his/her own special way and still given a strong, solid foundation in academics which can be built upon effectively at higher levels.

Primary Section

When children come from pre-primary section, our aim is to put the children at the centre of their own learning and place great emphasis on nurturing skills and attitudes such as resourcefulness, resilience and co-operation. Enable them to make links between the individual subjects and applying them to topics. We have designed our primary wing with the special focus on every child's needs. Every child is valued as an individual. Our teachers work on their all round development.

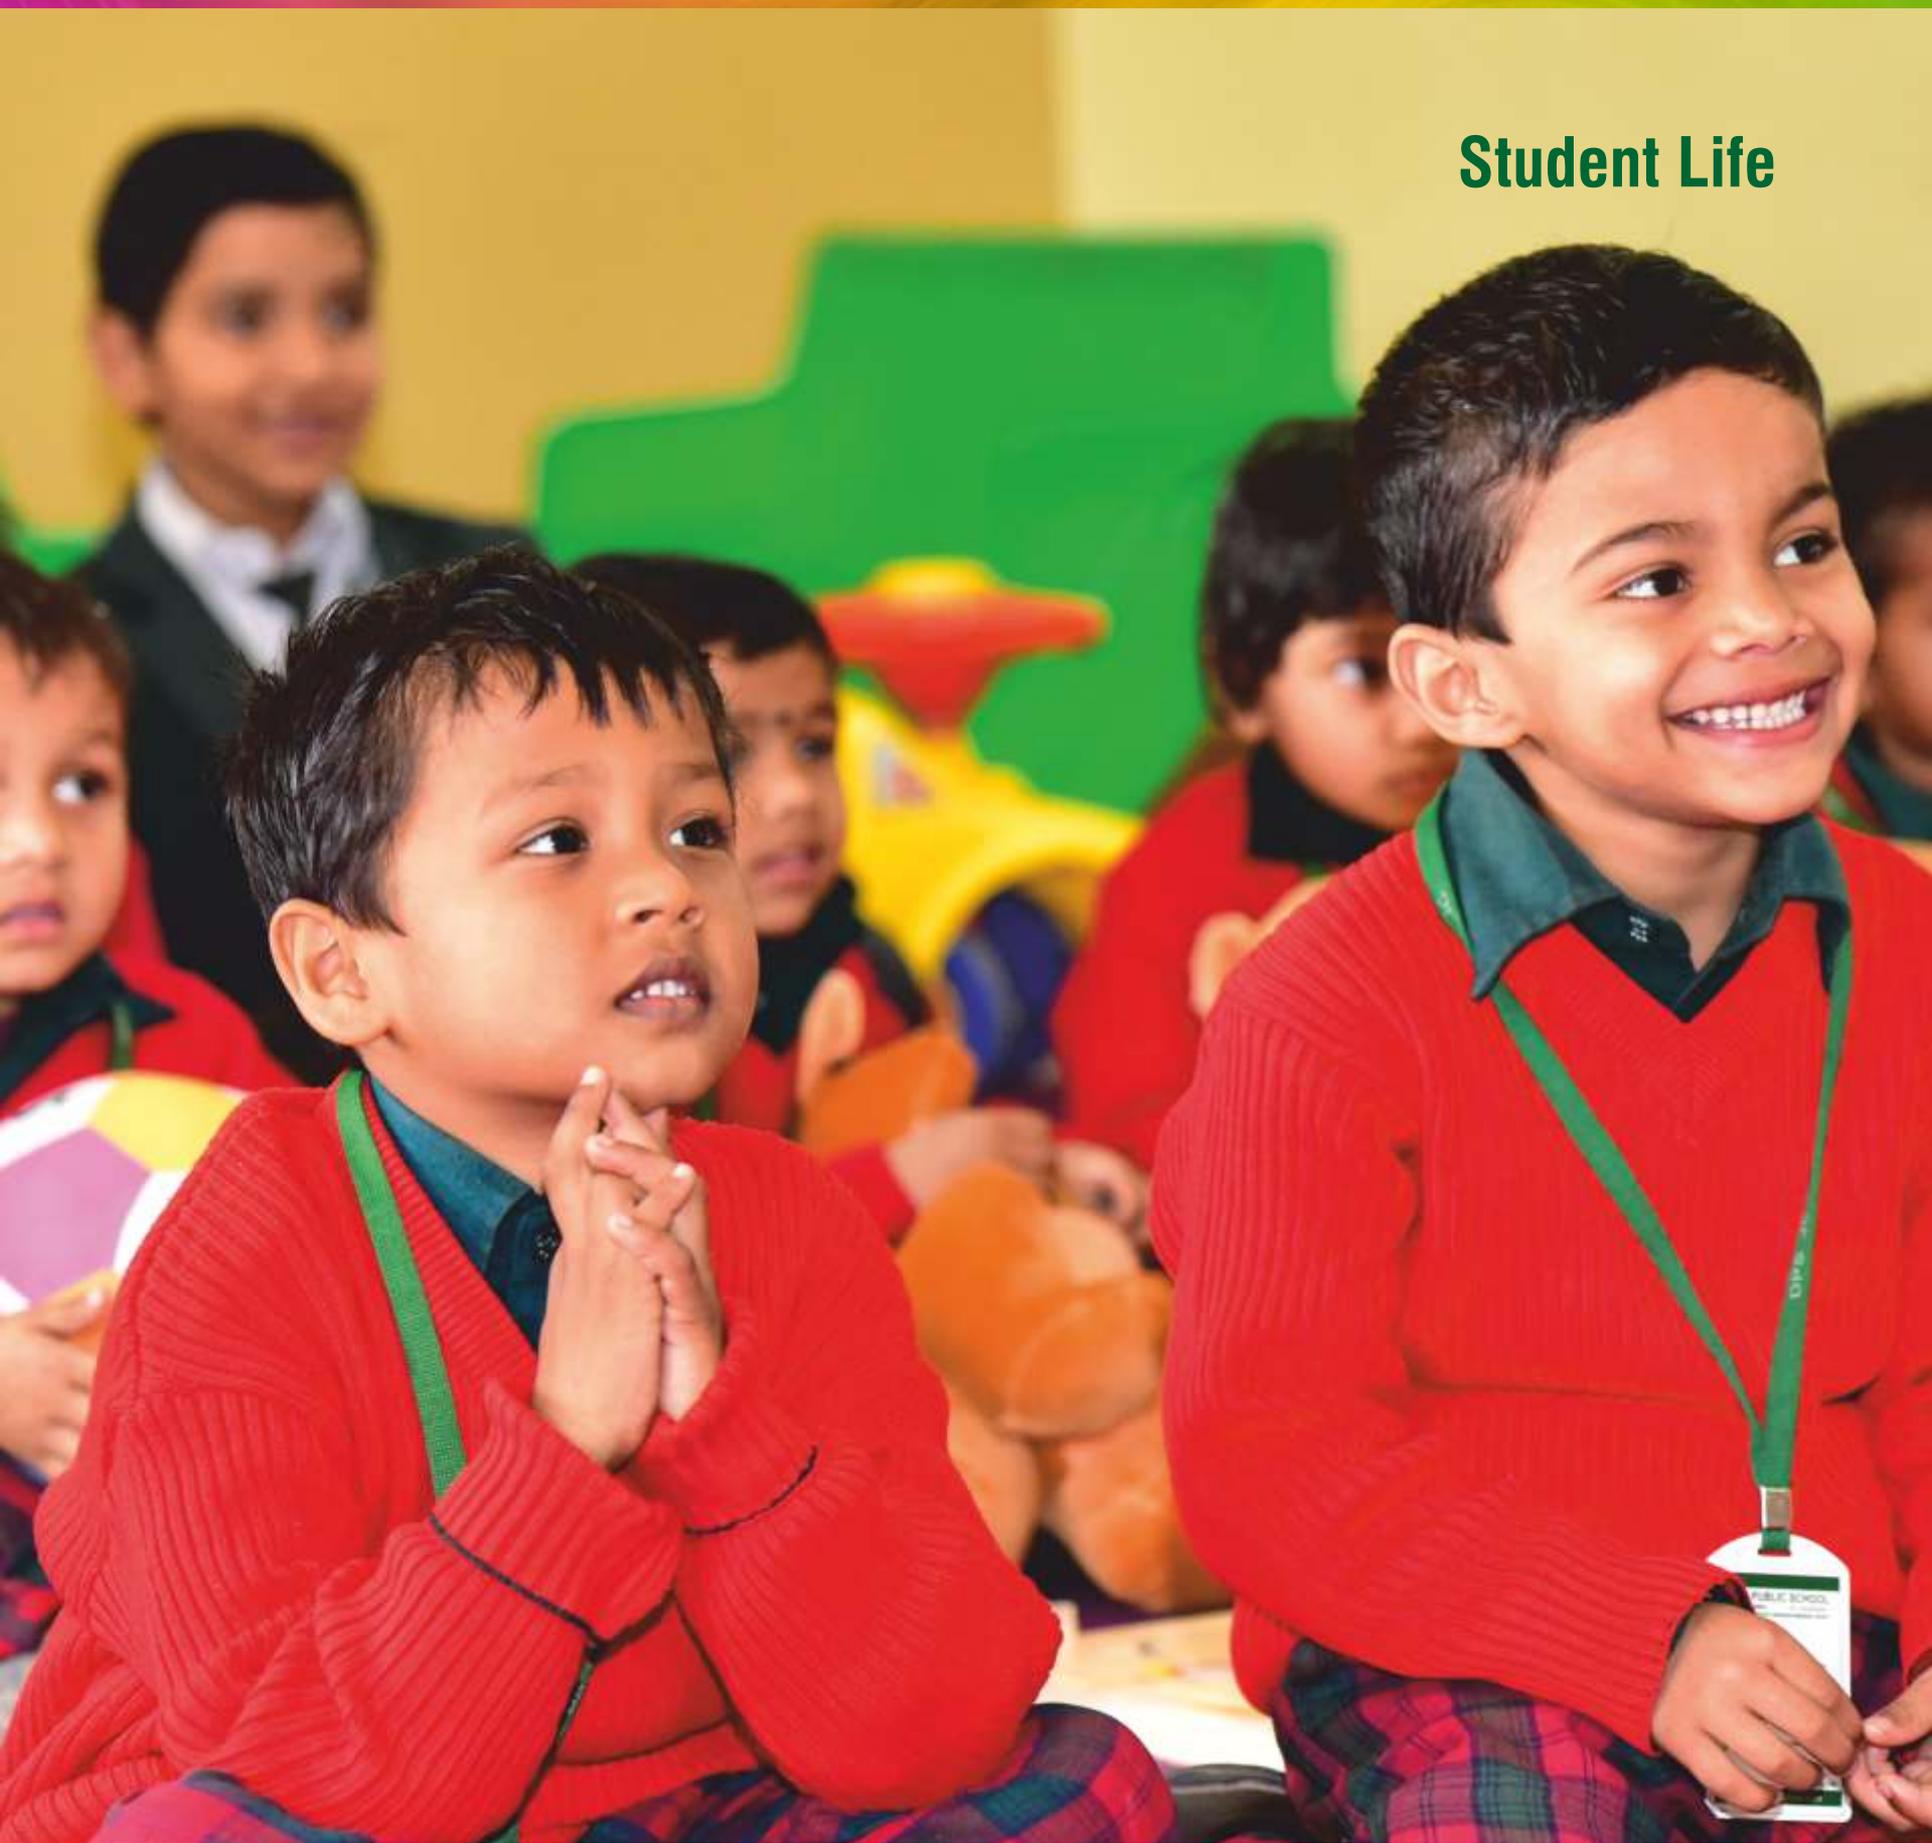

Middle School Section

In this critical phase of school education, with students stepping into difficult adolescent years and at the same time, having to deal with new expectations and new ways of working—we lay emphasis on not just teaching, but intensive counselling, career guidance, and a teacher-student equation based on trust and empathy. The CBSE curriculum, counted among the best worldwide, is delivered effectively by our trained and highly motivated faculty, ensuring that no aspect of the students' development is overlooked.

High & Higher Secondary School

The school is affiliated to CBSE up to 10+2. First two batches of standard X have brought laurels to the school by registering a pass percentage of 100% with as many as nine students securing 10 CGPA in the 2016 Board Exam. Thereafter, we have science with both Mathematics and Biology on offer for students to choose from either, and Commerce. Under the guidance of expert and highly experienced faculty the students gain knowledge and direction in their chosen subject(s) of interest.

Student Life

Student Life

Student Life

Support Services

Faculty

Our teachers are carefully chosen having aptitude and experience to teach the young children. Never satisfied with the tried and tested, they delight in creating more effective ways to explore and share knowledge thus breathing life into their teaching, thereby, enabling our children to go beyond rote learning. Our teachers are here because they love teaching, they love kids and they love the school resulting in a dynamic, challenging, interesting and excitement filled atmosphere. All this is possible because of our continuous and comprehensive in-service orientation, education and training programme for teachers through self-motivated school based activities conducted time to time on behalf of CBSE and Life Educare. Lifelong-learning teachers create lifelong-learning students.

Student Monitoring and Counseling Service

The school follows Monitoring scheme where each child (mentee) is given under the personal care of a teacher (mentor), the mentor is in touch with the students on a regular basis and does maintain various behavioural, emotional and personal growth record of the student. He is in regular touch with the parents and discusses the overall development of the child.

Competitive Examination Coaching

National Science Olympiad (NSO) and National Science Talent Search Examination (NSTSE) enhances the knowledge of students which help them face competitive exams in the future. The school provides practice sessions complete with interactive feedback and tutorial session in which the student is taught about the basic techniques for answering various types of questions.

Career Guidance

Career planning is one of the most crucial aspects of any student's life. Choosing a career is not an easy process, so it should start as early in the academic life as possible. At our school we have started it early & help students gather information on issues such as different career options, the eligibility criteria, the premier institutions from where the required qualifications for a certain career could be acquired Variables such as attitudes, abilities and inclinations also play a major role. A discussion on careers cannot be complete without a review of personality tests, group discussions and interviews which are done on a regular basis to find the areas of improvement & various strengths which can be worked on.

Outstanding Facilities

Library

The library is unrivaled with more than 7000+ books, subscribed latest periodicals and magazines, both Indian and foreign. The students are encouraged to cultivate good reading habits and use the library as an important center for learning.

Paraphernalia/Infrastructure

DPS-JC has ventilated, spacious and aesthetically designed classroom, staff rooms and AV rooms. All classrooms are of 500 sq. ft each.

Laboratories

Large, fully equipped laboratories are there to encourage students to partially explore what they have learnt theoretically and inculcate in them the scientific temper of experimentation and validation. The school has the following laboratories: Physics, Biology, Chemistry, Maths, Computer Lab.

Safety & Security

A reliable security system with professional security personnel, a completely fenced campus, 24/7 guard duty are in place to safeguard the sprawling campus..

Pure Water

Filter machine helps in providing safe and non contaminated water to the resident on campus.

Uninterrupted Power Supply

With a total captive power of 30KVA the residents enjoy a 24 hours uninterrupted power supply

CCTV

The school Campus is equipped with the CCTV cameras in corridors for ensuring Round-the-clock security.

WI-FI

There is one thing that plagues us everywhere we go; Wi-Fi. We may not have that cloud of Wi-Fi covering the planet yet, but you can find free Wi-Fi anywhere around the school premises, pertaining to the needs of the students and teachers.

CHEMISTRY

Technology

Smart Class

NIIT Technology enabled program SMART CLASS offers the rich content repository of over 40,000 plus highly animated knowledge packed, Artistically designed, pedagogically aligned audio visual modules based on universal concept synchronized to curriculum which help students for optimum utilization of brain as a whole.

Today's life is incomplete without technology. The breath-taking technological development has transformed the way we work, live and communicate. The computer, internet and the mobile technology have permeated in almost all walks of our life. There is a strong need to sensitize the children of today's generation towards these technological developments in a manner that they adapt to any future technology with great ease and of course in a sensible way. We at the School, weave the technology in such a subtle way that it becomes an ubiquitous part of education process thus enabling students to use the technology in a responsible and effective manner for the benefit of mankind.

Math Lab

The innovative Math Lab ensures the understanding and verification of various theories and concept of math by using the manipulators, interactive mathematical tools and computer interface.

Computer Lab

The state-of-the art Computer centre provides ample opportunities to students to get an exposure of IT environment and learn to use various tools and software in their daily life.

Language Lab

An interactive language lab enhances the skill in a child to develop the art of communicating at a very early stage of life. The language lab enhances the confidence of the students by improving their speaking and listening skills.

Boarding Life

It has been a commitment to provide quality education, state of the art infrastructure and multiple opportunities for the student to grow in a congenial environment most suitable for all round development. To take this commitment to a wider section of students, DPS-JC opened its hostel facilities exclusively for boys from class IV to XII. Presently the hostel can accommodate 24 students.

The hostel is located in Krishna Vihar colony near the school campus. The surroundings are well maintained with lush green gardens and is surrounded by concrete walls. Round-the-clock security to ensure a safe haven for the students.

The students are placed in en-suite rooms shared by 3 students of their similar age. Apart from bed, each student also has a personal cupboard which makes handling of the belongings easy and safe. Room is equipped with study tables and chairs to facilitate uninterrupted studies.

The hostel is equipped with all essential facilities, to make the stay for students comfortable and homely. A well maintained, hygienic and well-furnished mess with expert cooks serving children healthy food.

The children follow a prescribed schedule, which is strictly adhered to in order to bring about discipline in their routine and create a healthy routine for a lifetime. It starts with the Jogging in the morning and ends with evening sports and special subject coaching.

Spoken English & Remedial classes for all the students for overall development in academics.

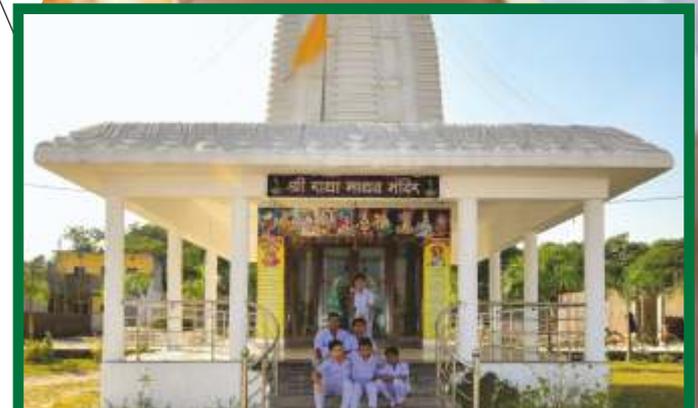

Their weekends are scheduled with unlimited fun & frolic with indoor cinema, sports & leisure hours. Hostel Warden resides within the hostel round-the-clock ensuring utmost personal attention towards the students all round development. This results in a homely atmosphere across the hostel and a secure and reassuring environment for children.

Transport Facilities

Bus Facility

The school has bus facility from most of the locations of the district. Specially designed buses for the safety & comfort of the students are used. The children are picked & dropped by the escorts. The routes are planned in such a way that the travel time of the children is minimized.

Transport facilities are provided in the following areas :

Champa, Janjgir, Naila, Sheorinarayan, Birra, Bamnidih, Sakti, Baradwar, Jaijapur, Daarang, Paharia, Pamgarh & Baloda.

Medical Facilities & First Aid

The school has First Aid facility of its own. Regular medical check-ups for the entire school will be done routinely. Cases requiring serious medical attention is taken to the nearest hospital.

Reports of any medical examination will be sent to the parents of students who require special treatment. The school will have tie-ups with all Specialists and the students shall be taken to them as required.

The school authorities reserve the right to refer a student to any specialist for treatment or operation when the need arises and when time is at a premium. In all normal cases, the parents will be consulted before such action is taken.
