TALENT HUNT

19th & 26th February, 2017

It is often felt that there is plenty of talent under the blue sky that remains unearthed until they shine bright and come to the limelight.

If talent is trapped at a tender age, it can be nurtured, groomed and moulded in a way that can go on to become an asset for the nation.

As a wonderful initiative to bring hidden talent to the fore, and also to develop a healthy relationship with the parents so as to work in tandem for the all-round development of a child, DPS-JC and DPS-Kids, under the supervision of Shri Swarup Roy, PRO, DPS-JC and Shri Shirish Dhodwar, Administrator, DPS-JC, along with the faculty members of DPS-JC and DPS-Kids organised a 'Talent Hunt' show on 19th February 2017 at Swami Vivekananda Park, Champa and 26th February 2017 at Sardar Vallabh Bhai Patel Udhyan, Janjgir.

EFFECTIVE PARENTING

27th February, 2017

In view of the growing pressure of studies on children and the ever increasing expectations of the parents, teachers, well-wishers and peer group, and also the inability of parents to devote quality time for their children because of the hustle and bustle of life, a seminar on Effective Parenting was organised by DPS-JC.

Mrs. Munira Dhamani, (Trainer, Life Educare, Raipur) graced the event as the Resource Person.

Mrs. Dhamani while addressing the parents emphasised on the need for parents to spare quality time for their children in spite of their innumerable engagements. Madam Dhamani mentioned it as one of the major causes why children in the present generation do not appreciate traditional culture and values which are hallmark of this great nation. She said that it's common for children to grow a tendency of being driven towards the negative issues. Under such circumstances, since a child spends more time at home, it becomes imperative for the parents to keep patience and play a vital role in understanding the needs of the child and attend to them in the best possible way.

Parents and Guardians hailed Mrs. Dhamani for her valuable inputs into a child's proper upbringing and all-round development.

On this occasion, Shri Swarup Roy, PRO, DPS-JC, Shri Shirish Dhodwar, Administrator, DPS-JC and all the teachers of the school were also present.

FAREWELL - CLASS 12

03rd March, 2017

12 long years of school life; innumerable memories, some pleasant, a few sad too, but all and all, 12 fabulous years of existence with the most wonderful people on earth – Teachers and Friends. DPS-JC was all set to bid adieu, of course stirred with blessings and plenty of good wishes, to its first batch of Class 12 – Farewell to Class 12.

Such occasions bring out mixed feelings. Sadness on one hand for the fact that all those whom the teachers guided, mentored and nurtured with love, care and affection, were going to part from them, while on the other hand, it gave joy as well since the children would be stepping onto the second phase of their life, success and happiness awaiting them.

On 3rd March 2017, DPS-JC organized a grand Farewell Function for the out-going Class XII students. Being the immediate juniors, the onus fell on Class 11 to say the final goodbye to their seniors.

The stage was set. The programme was attended by President Sir, Shri Raj Kishore Dewangan, Principal Sir and all the teachers of the school. Host Class, Class 11 students had made big preparations. Students of Class 12 attended the event smartly attired. Some of them expressed their feelings and sought blessings of all, some became nostalgic while recollecting incidents of their past. A few sang songs too. Students of Class 11 also performed on the dais and entertained all. Amongst the teachers, Mrs Kalpana Singh addressed the students, extended her best wishes and blessed all for the forthcoming Board Exams. Principal Sir in his address laid emphasis on remaining positive however disappointing the situation may be. He urged the students to work hard and come out with flying colours. He also said that this wasn't the only exam in their life; it was just another exam, and thus one should not allow stress to overcome him/her. President Sir in his speech echoed the sentiments of Principal Sir and advised the students to never leave the path of hard work and perseverance. He said that it was only hard work that would lead them to success. Finally each student of Class 12 was presented a memento so that they would cherish for long.

After a sumptuous lunch, all departed hoping for wonderful results.
