### SEMINAR ON EFFECTIVE PARENTING

5th, April, 2015

Delhi Public School, JC believes in the motto of DPS "Service before Self" in letter and spirit and always endeavors to move at least one extra step in the direction of providing a little more than what is generally given to all the important stake holders of the Institution, i.e. parents, guardians and learners, so that they can move in tune with the "Changing Times".

Like other years this year also we have organized a Seminar on "EFFECTIVE PARENTING" with the eminent Motivational Speaker and Resource Person Mr. Sayed Fazil on 5th April (Sun.) at two places such as Champa & Janjgir in two different public halls for the benefit of all.

Success is always counted the sweetest, provided the efforts that go into all the deliberations have been done keeping in mind honesty of intent and integrity in execution.

Proper and balanced communication is the key driver of GROWTH in every sector. The learning curve of school going children can be very effectively boosted if parents also take well-directed intentful interest in the developmental processes of their wards in conjunction with the endeavors of the well-meaning School Authorities.

Hope at all levels the benefits of the Seminar get percolated down to the desired level of absorption and we would wish all to look forward to with great anticipation for the next edition of this seminar.
