On behalf of all the staff, Mr. George Joseph, the Principal of DPS - JC felt honored in offering all the new joiners a cheerful welcome. He further inspired the students by sharing, "This is our goal as the new academic year commences! Let us continue to work together to help one another to be our best for the world of education".

Each new joiner of DPS - JC was facilitated on the stage by giving bouquet and welcome card by the respective class teachers. It was indeed an auspicious moment for the kids of DPS-JC too.

School debate competition was held among four houses at activity hall on 15th April. Students from classes 6th, 7th and 8th partook in the competition. The theme of the debate was "Mobile phones are effective for youth or not". House incharge teachers were asked to select four students from each group and set motion of the debate. The audience also experienced the reasoning power among students at the time of debate. It helped the participants to learn how to organize their ideas in a systematic way. At last audience got an opportunity to evaluate the positive and negative realm of the debate
