They learnt to look after themselves and their belongings away from the supervision of their parents. They learnt to adjust themselves in the company of their classmates and friends. They learnt to live out off a suitcase, being on the move. We had spent four days in Vizag and the memories are still imprinted on our minds.

There was a real submarine called INS Kursura. After more than 30 years of service to the Indian Navy ,the submarine has now been rested. It has been transformed to a museum and is open for visitors. Next we went ahead for Kailash Hill . There we had a taste of history with a panoramic view of various places .The thrill of going on a rope way into the Kailash Hill cannot be put into words; the excitement and joy of driving through the forest via train was splendid.

2nd Day-Next day we went out to visit Simhachalam Temple, Vishnu Mandir and Indira Gandhi Zoological Park. Students first visited the tank, the water of which was green. Black Swan,ducks, fish, cranes and other water birds were swimming happily on its surface. They presented a very beautiful sight. Then we saw the monkeys. They were of various colors. One of them were Rhesus Macaque. A visit to the Indira Gandhi Zoological Park brought us face to face with some of the preserved man-eaters of yester years. There were tigers, leopards, panthers and wolves. Then we saw a rhinoceros behind big enclosure. It seemed to be having the strength of a giant. The visit added vastly to everyone's knowledge.

Next we went to Rama Krishna Beach or more popularly known as RK Beach. The moon was in full bloom and we saw the beauty of moonlit beach. Students of DPS-JC enjoyed there a lot along with their teachers and memorable images were clicked by Mr. Basant Dewangan.
