## *President Speaks*

"An investment in knowledge pays the best interest" – Benjamin Franklin

My heart fills with immense pleasure as I perceive the progress being made at Delhi Public School. The Covid Pandemic has hit so hard, it's unbelievable; an academic year has gone by without any physical classroom interaction. We never contemplated a scholastic year with uncertainties and challenges that we are experiencing presently. I pay my deep respect and esteem to all the Educators for their unstinted efforts to ensure no break in the quality education which is important to our students.

The school's solo moto is to offer a myriad blend of scholastic and co-scholastic opportunities to cater to the need of different learners. Keeping in sync with the advancement made in the field of technology, Our well trained faculty has made the learning process an enriching experience for the students. As a President it will always be my mission to put Kids first! My belief is that all students can learn, and it is our job to support all of their needs. As educators, we always endeavor on how each child learns in order to differentiate our instruction to support diverse learning styles. I also want all children to love school. I promise to provide a learning environment that is positive, safe, caring, a fun place to learn and grow. My goal is also to provide our students the essentials needed for success in a safe and warm environment. Our team at Delhi Public School will work together with the priority of having every student's best interest at heart. Education matters so much for us because it not only provides us financial stability, but also brings refinement in our culture. Education helps us with many things, but most importantly, it empowers an individual to think, question, and see beyond the obvious.

My message to the Principal, staff, students and esteemed Parents of Delhi Public School, is to dedicate this year to a correct understanding of what education really means and let us all get benefits from this understanding.

Raj Kishore Dewangan

"If our country is to be corruption free and become a nation of beautiful minds, I strongly feel there are three societal members who can make a difference; they are the father, mother and the teacher". Dr. A. P. J. Kalam

I trust that you are taking care of yourself and helping your family well in this crisis time! Perhaps none of us have ever realized that we will be facing a pandemic such as COVID-19, it will pose so much of uncertainty, change our lives so much and raise questions about the post – pandemic situation. It has taught the world many great Lessons of Life.

At the present juncture, it is desirable that you take note of the above and try to equip yourself with all round capabilities and skills to keep fit.

In this sacred shrine of learning (well known as Delhi Public School, Janjgir–Champa) may the mind, heart and soul of each child be moulded and nurtured with Love and care. May the vision of our founder, Late Shri Ramgopal Dewangan ji be lived out by each Student through the actualization of core values of Justice, Freedom, Sincerity, Truth and Joy.

It is our Endeavour in Delhi Public School, Janjgir–Champa to nurture, agents of positive social change and cheerful givers. With a fearless mind and with a head held high but grounded in sound values, may the Glory of God be proclaimed by each student.

However hard and challenging it may have been, we can say that we at Delhi Public School, as with many other educational institutions did not allow ourselves to be drawn into a mire of despair and inactivity.

All this while, the online teaching and learning took place. Our teachers, students, parents and non- teaching staff have lived up to the massive and unprecedented change in the mode of education and our life–style.

Regular programs and activities did happen, in most cases, reflecting the unflagging zeal and passion of the staff, students and parents at DPS-JC for a well grounded education.

I would proudly say that Our assemblies, programs and important school activities and functions recorded online and shared via the school links and Facebook page attracted accolades and worthy mention.

Its time for each of us to move on gracefully trusting God's ways. Wish you all a safe Family bonding.

## *AVP Speacks*

Will things normalize and when? Will the transition from at-home instruction to in-person Learning at school take place at the beginning of the next academic year? What next? This is the question upper most on the minds of all. Only time will tell. On our part, we pray for a quick end to this ongoing pandemic and learn the lessons that it provided us.

We are still fighting a long battle and we keep praying for strength and solace sticking together in thick and thin.

Now here in our wild imagination did it ever envisage organizing & celebrating school activities & functions with students without them present in the school! And yet it is happening this year too in our school and across the country and the world.

As the Associate Vice President, I would like to favour every point as I have watched closely our staff who have sacrificed their all to train themselves and burnt the midnight oil to prepare for these online classes. They have the good of the children uppermost in their mind and its apt to

mention, "The teachers are the society's unsung warriors during this covid pandemic crisis". So our respect and esteem for them is a notch higher and we salute them for their unstinted efforts.

A note of gratitude to the students who have and are, adjusting well to the new system that has befallen them. Its hard on them too to sit before the screen, Listen to the instructions of the teacher, take notes, adjust to the home environment and avoid distraction and all this with no recreation in the open spaces that they are so used to at Delhi Public School, Janjgir Champa. Along with them, we commend the support by the parents to their children and to the school to ensure that the child is given the best in education and that we don't compromise our values for a balanced growth of our children.

Let's embrace the great awaiting challenges ahead, if we wish to stay relevant and effective. With every good wish.

## *Pen Drops of the Editor*

Dear Readers,  
Greetings to you

It gives me immense pleasure in bringing out the 7<sup>th</sup> volume of "Spandan" successfully. Extracting talents, ideas, skills from different fields was a difficult task but we finally made it possible. Delhi Public School plays a vital role in the life of young students learning to blend Knowledge, wisdom, values and integrity at the very outset of the schooling years is indeed imperative. A school that imparts both knowledge and wisdom to its students can only empower them holistically for a bright future.

The official magazine of our school captures the momentous moments of a student's journey. We have tried our best to make sure this memoir of DPS-JC helps you in recapitulating your eventful journey in DPS. "Spandan" is also a specimen of their creativity. It tries to bind together each and every aspect of our very own 'DPS-JC Family'. This issue might be termed as a reminiscence of our Late Founder's glory. This was another splendid year, with our students bringing laurels to the school in all possible spheres. Their achievements were so vivid that all our efforts to include their accomplishments in one issue would go in vain. Isn't it rightly said, "A flower makes no garland." Thus, this magazine is not the outcome of the effort put in by an individual, but is the immense effort. Put forward by first and foremost, Our Principal Madam and then, the Editorial Board, all teachers and DPS students.

I would like to express my deep gratitude to our founder Late Shri. Ramgopal Dewangan Ji , President, Vice-President, Director and Ramgopal Dewangan Memorial Society for their constant support and encouragement to overcome all obstacles that come our way. I would also like to thank Our Principal Mrs.Kalpana Singh for her esteem guidance throughout the making of the 7<sup>th</sup> edition of "Spandan 2020-2021".

I also thank the Editorial Board for their support and also the students for their whole hearted contribution for the success of the 7<sup>th</sup> volume of 'SPANDAN'.

"SPANDAN" not only exhibits Talents and skills but accomplishment as well.

This issue includes messages, Annual Report Events at a Glance, Students' Achievement, articles, poems, anecdotes, art- works, a host of other things and also a parody. We hope you enjoy reading this issue as much as we have enjoyed making it.

Any suggestions or criticism on the magazine would be most welcome.

All the very best, and stay safe!

Warm Regards,

# PRINCIPAL'S ANNUAL REPORT

“The Purpose of Education is to make good Human Beings with Skills and Expertise”

With this famous quote of Dr. Kalam I extend a grand warm welcome to the Chief Guest of the evening Mr. T. Mate, Regional Officer, CBSE Bhubaneswar Region. The reflection of motherhood, Smt. Meena Deviji Dewangan, Patron, Ramgopal Dewangan Memorial Society, Guest of Honor, President, RDMS and DPS-JC, Mr. Rajkishore Dewangan as the Special Guest.

We strive for excellence in everything we do. We provide a learning environment that allows every student to thrive as an individual. With the tireless efforts and cooperation of all the stakeholders the school has achieved great heights in all the fields in the Academic Year 2020-21. And I Kalpana Singh, Principal, am here to present the Annual Report of the school full of the achievements and glories of the students and staff of Delhi Public School, Janjgir- Champa.

**ACADEMICS-** Its my proud privilege to begin with academic achievements of our students that reflect a demonstrated ability to perform to the best of their ability. I am glad to share with you all the commendable performances of our students in class –X and XII CBSE Board Exams.

In class X, the result was 100% Topped by Vanshika Agrawal with 97.40%, 19 students secured above 90% and other students of class X also passed with flying colors.

In Class XII also the result was 100% and all the students performed exceptionally well. Lucky Soni and Prashil Khare of Science Stream Topped the class with 94% and five students secured 90% and above.

**Sports-**Our school is a unique environment, a slow-paced haven of quiet and calm in a busy and frenetic world. This is made possible with the positive, honest and warm assistance on the field of sports and games.

I am feeling extreme proud to announce that our students were selected for International Youth Sports Competition organized by Yoth Sports & Development, Sports and Games, Neeti Ayog held at Nepal in January 2020 and they secured II position by keeping the Tricolor High in Nepal.

**USO:-** Our school is a member of United Schools Organization (USO) which is an NGO and conducts various National Level Competitions in collaboration with HRD Ministry and Ayush Mantralaya govt. of India.

**ONLINE CLASSES:-**

Despite supposed massive progress in the scientific realm, COVID19 has brought this world to its knees. Never before has humanity faced such testing times together. It is being perceived as a panacea to combat the schooling related issues, hence the hurry to transfer classrooms into the virtual world without taking consideration the reach to all the learners. In this respect DPS-JC came forward to initiate Online Classes from Nursery to Class XII from 01/04/2020 through ZOOM APP. We set in our journey with our students while others were in stake. In the Month of June we tied up with Microsoft Teams for the better and smooth conduction of Online Classes because we are morally bound with our beloved students. In addition to this Teachers have undergone various skill enhancements programs webinars etc. We have conducted all the scholastic and co- scholastic activities like exams, CCA, Functions Celebrations, Sports Day as per the School Almanac which was printed in the month of December 2019 when this world was not even knowing about COVID 19.

In conclusion we can say that the DPS –JC family shall overcome because we never compromise with quality rather believe in commitment and hard work in grim situation.

**STUDENTS' SEMINARS AND WORKSHOPS:-**

To ensure that our students are well equipped with knowledge to face any challenge, we have done online sessions on special topics including Disaster Management, Basic Life Support, Health and Hygiene for Girls, Career Counseling, Leadership Skills, Career Planning as well as Cyber Safety from time to time.

**TEACHERS INSERVICE TRAINING AND WORKSHOPS:-** DPS-JC organized a week long Online Capacity Building Programme for teachers by CBSE on Classroom Management, Life Skills, Stress Management and many more.

**SELF-AWARENESS:-** A preliminary workshop on Self-Awareness for girl students was organized in July under the guidance of our teachers who are the members of Child Abuse and Women Harassment Committee of the school. Even the students of Pre- Primary classes were made aware about Good Touch and Bad Touch through an Online Session by showing them animated film Komal recommended by CBSE.

**Hub of Learning:-** Being the Lead Collaborator of our Hub of Learning of Dist. JC, we are doing well with the cooperation of our 4 Partner schools- Lions DAV Akaltara, JEM Janjgir, Sarvodaya Eng. Md. School & Gurukul International School Janjgir. We have conducted a series of Interschool activities on Gandhi Jayanti for the students of our HoL witnessed by Dist. & Session Judge and Dist. Collector as the Chief Guests. I even conducted a session on Stress Management for the teachers of our Partner schools.

**VALUES:** We believe that education is not a part of life, it's the way how to live life. Believing in the same we focus more on the moral values. And above all we believe that happiness is the key to success and we work to make our children happy and teach them to smile in all circumstances. So our school is a happy place for all of us where we spread smiles throughout the day.

All these activities throughout the year are organized to sensitize the future citizens about their responsibility towards the nation and to make them understand that Education is not to earn but to serve.

This report is a sincere attempt to showcase our progress in terms of achievements and activities during the year.

Thank you so much

Summer camp is a community where children come together to have fun while learning lifelong lessons. The setting of the camp is such that children start developing a sense of independence while trying new adventures. Summer camps are known for their safe environment and the fun activities for kids that they provide. The summer camp activities help develop a variety of social skills including communication and conflict resolution.

Unfortunately, this year, 2020 Summer camp in traditional way was difficult to organize because Covid pandemic crippled our normal life. Social gathering is at bay and social distancing is strictly maintained. Inspite of such ominous circumstances, DPS-JC organnised virtual Summer camp on 1 May ,2020 and continued for ten days. Students from class I<sup>st</sup> to VIII joined in this summer camp with "jocous mood ". Different types of skill- enhancement programmes such as spoken English, Speech Modulation, Song, Training in Musical Instruments, Recitation, Peer-Group discuss, Self-Defence Training, Spiritual and Morality Boosting were held under the parental observation of Mrs. Kalpana Singh, distinguished Principal of DPS-JC. During the period of COVID 19, everybody has been experiencing the concealed stress. With the aim of providing a relief from this stress, KALA VITHIKA, an Online Art Exhibition has been organized from June 1<sup>st</sup> to June 10<sup>th</sup>, for the students of Delhi Public School, Janjgir-Champa. International Women's Day is celebrated to understand the real value of women and support them to improve their potential for reaching their goal and objectives. So with this aim our school DPS-JC celebrated the International Women's Day on 10th March with great pomp and grandeur.

The program was started off by welcoming the Chief Guest, SP Mrs. Parul Mathur and Guest of Honour, Ms. Udai Laxmi Parmar, ADJ Dist-court. Patron Ma'am, Smt. ## Englihs Maths, Maths, Maths!

Down with old Pythagoras  
And down with rotten maths.  
Down with Archimedes,  
And drown him at the baths.

If anyone had to do it  
I'd make sure it was me'  
First I'd wholly immerse him,  
Then kick him up a tree.

When he had been disposed of,  
I'd turn on old Pythag  
I'd drag him through a holly bush,  
And he'd come out like a rag.

Now my pipe dream's over,  
And I've nothing more to say  
Except that Maths still lives on  
To be taught another day.

## TRUE FRIENDSHIP

True friendship  
lasts till last  
breath.  
We always have a  
good time with  
our friends.  
But is this  
friendship good  
for you?  
There is an easy way to  
judge this.

One kind of  
friendship is, where  
everyone has a good  
time, doing something together. It is the shared interest  
that sustains the friendship. We might get together,  
perhaps play a game or two, or indulge in a group  
activity. everyone enjoys, eat, drink, and then go home.

Then there is other kind of friendship where you share  
what's closest to your heart. You talk about your plans for  
life. You trust the other person completely and believe  
that they want the best for you. They do not hesitate to  
tell you when you are going wrong.

It is the second kind that makes you grow, while you  
have fun in the first one, the second one is what keeps  
you on track, on the path you have chosen. The second  
kind helps you see clearly.

You can have the first kind of friendship with just about  
anyone who shares few interests with you. But the  
second one ? That is harder.

The challenge is to choose carefully the person for the  
second kind of friendship. If you choose the wrong  
person, there is a very real danger they will betray you.  
Only time will tell who is right.

If you have found someone who is completely  
trustworthy and is right for the second kind of  
friendship, then you are fortunate.

## BAG PACK SONG

Bag Pack, Bag Pack  
It is time for bag pack!  
One, two and three,  
It is so easy,  
A,B,C and D  
Everything is busy,  
Anar, Aam, Imli and Ikh  
Feeling very sweet,  
Eat the code butter

## MY- LIFE NURTURE

You grew me up,  
You make my life,  
You are the one  
Who is my life.  
Sometimes I think  
If you were not there  
How would I be here.  
Father gives us everything,  
Mother gives us that,  
Which no one can ever give.  
If someone says me wrong  
She says me right.  
Just think, No mothers  
None of us would be alive  
So just swipe her tears before she  
cries.

## LUCK

He worked by day and toiled by night.  
He gave up play  
And some delight.  
Dry books he read,  
New things to learn.  
And forged ahead,  
Success to earn.  
He plodded on with  
Faith and pluck;  
And when he won,  
Men called it luck.

## HARD WORK ALWAYS PAYS

In a field one summer day a Grasshopper was hopping about, chirping and singing to its heart's content. An Ant passed by bearing along with great effort, an ear of corn he was taking to the nest.

"Why not come and chat with me," said the Grasshopper, "instead of toiling and moiling in that way?"

"I am helping to lay up food for the winter," said the Ant, "and recommend you to do the same."

"Why bother about winter?" said the Grasshopper; we have got plenty of food at present." But the Ant went on its way and continued its toil.

When the winter came, the Grasshopper found itself dying of hunger, while it saw the ants distributing, every day, corn and grain from the stores they had collected in the summer.

## MY LIFELINE, MY FAMILY

"A person owns a family is the greatest wealth that one can possess."

My family consists of me, my sister, my parents and my grandparents. Within each family member lies my strength. My cute younger sister is my best friend, she always cheers me up whenever I don't feel good. We always have a good time together. My mother is my rock, the center of my world. She is the most beautiful person I know. She teaches me right and wrong because she wants me to be right and happy person.

For my father what would I say, I am glad that he is my Dad because he is in a million. He loves me no matter whether I am good or bad but he tends to teach me good things. I see him as the strong pillar and learn from him each passing day.

Grandparents are the lifeline of my family. We can enjoy and get enormous support from them. Their experience show us the path in ups and downs.

Family is my foundation. Their action and words shape me into the person who I will be in future. This I believe-

"Your family is the best team you could ever have."

## LEARNING AT HOME DURING LOCKDOWN: MY PARENTS AND MY TEACHERS

“Earth provides enough to satisfy every man’s need, but not every man’s greed.”- MAHATMA GANDHI

The whole world has come to a standstill, and the reason is the pandemic COVID-19. All of a sudden, it seems we are a part of a horror movie. The villainous Corona Virus is killing thousands of people, and we are feeling helpless. It has turned our lives upside down. Even in our dreams, we could not have imagined ourselves confined to our homes, with no outing and unable to meet our friends and relatives.

Reasonably, the situation has given us a chance to look at things differently. In the beginning, the lockdown was considered as holidays by some children, like me. Once extended, it has made us realize the value of attending schools. We appreciate the hard work of our teachers who are trying their best to teach us through online classes and providing us with study material. Teachers are not leaving any stone unturned so that we do not waste our precious time sitting idle. Although initially taking online classes was a challenge for them, they have quickly adapted so that our academic path does not get affected.

We are learning to manage ourselves with limited resources. We have learned to respect our farmers and vendors who are bringing these essentials to our doorsteps. We have become more alert about personal hygiene and cleanliness.

The lockdown had also made us to appreciate our parents, who usually work day and night to fulfill our reasonable (and unreasonable) demands and never complain. Life is about not only studies, TV, and games but it is about standing with each other during any phase of life. We have also got a chance to know about our parent’s childhood days, watching Ramayana, Mahabharat, etc. playing games like Ludo. Parents have also taught us the value of money and how necessary it is to save money for hard days. We have learnt that it is our moral duty to stand by our employees in offices and factories and domestic help because they are the people who make our life worth living.

The current situation has made us value the organizations who keep working day and night to make our life easy and smooth. We should be thankful to our government and police officers who are trying to make people follow the rules of social distancing. We should also be grateful to health workers who are putting their lives in danger to save thousands of lives.

Lockdown is giving us many lessons about life. We have learnt to handle difficulties with a positive mind, and I hope these lessons remain with us throughout life. There is an end to every nightmare and this one shall end soon.

## SELF CONFIDENCE-BE YOURSELF

As the group of frogs was traveling through the woods, two of them fell into a deep pit. When the other frogs crowded around the pit and saw how deep it was, they told the two frogs that there was no hope left for them. However, the two frogs decided to ignore what the others were saying and they proceeded to try and jump out of the pit. Despite their efforts, the group of frogs at the top of the pit were still saying that they should just give up. That they would never make it out. Eventually, one of the frogs took heed to what the others were saying and he gave up, falling down to his death. The other frog continued to jump as hard as he could. Again, the crowd of frogs yelled at him to stop the pain and just die. He jumped even harder and finally made it out. When he got out, the other frogs said, "Did you not hear us? The frog explained to them that he was deaf. He thought they were encouraging him the entire time.

Moral of the story- People's words can have a big effect on other's lives. Think about what you say before it comes out of your mouth.

## MY WISH

I wish I have wings,  
of peace and dreams...  
If I could fly too high  
I would have flown the boundary of sky.  
I wish I have wings,  
Of peace and dreams...  
I wish I have a pocket which is as big as rocket.  
If I could meet sorrow,  
I would have told it come tomorrow.  
I wish I have wings,  
of peace and dreams...  
I wish I could provide light to children who wants to  
study and be bright.  
I wish I have wings,  
of peace and dreams...  
I wish I could provide smile to people who work  
hard for their families away in miles...  
I wish I have wings, of peace and dreams...

## VALUES EDUCATION- AN ESSENTIAL PART OF LIFE

Values are included an important part by family and school so that the child grows up with morality and can differentiate between right and wrong on their own. However, with time, the tenets of tolerance, spiritualism, self-discipline and sympathy seem to be losing their importance these days.

Values are basic and fundamental beliefs that guide or motivate attitudes or actions. Values are the motive behind purposeful action. They are the ends to which we act and come in many forms. A person should develop three types of values as a student, and they are- character values i.e. person needs to exist as a helping and good human being, work values i.e. a person should find what he want in a job and should be concerned about that and third value is personal values i.e. a person should know about his/her right and wrong and should be self disciplined.

Value based education gives a positive direction to the students to shape their future and even helps to know the purpose of their own life. Identifying your values can give you many benefits such as-

- Helping you in difficult situations.
- Helping to choose the right career.
- Helping increasing our confidence.
- Helping to make right decision.
- Helping to increase overall happiness level.

The only way to become a successful and good person is to add values such as respect, discipline, self-confidence, morality, and concentration in your life.

## WHAT IF I WOULD BE THE LAST HUMAN ON EARTH

Imagine a peaceful Sunday morning, you are at your home. You wake up and went to open your window to get the sun rays, but wait! What are you watching that the street normally full of people is totally empty and seems that you are the only human left on Earth, so what are you gonna do, well I guess the answer is anything you want! As the whole world is now yours. Every crazy idea, insane dream or whatever else you've got in mind. Firstly, I always wanted to live in a mansion. Well, now I can! As I have got this opportunity to enjoy the whole world, and nobody is there to stop me, so I am going to grab it and enjoy to the sole. The next I will visit all those places which I want to and buy whatever I want, as no money will be needed. After doing all the things, as I am the only human that will be pretty frustrating and depressing, but I will look towards the bright side. And gather all the knowledge and skills required for survival...

## THE OPEN-EYED DREAM

Of safer nights and longer days,  
Of peaceful lives and mannered ways,  
Of suffering to just lessen some  
When men shall rise out of martyrdom.  
Where roads have men, with smiles not fake,  
Where men care for men for just humanity's sake,  
Where love is real for all who come,  
When men shall rise out of martyrdom.  
When efforts are fair and fights don't kills,  
When disagreements, respect free-will,  
When hearts get a voice, feel free to come,  
Then men shall arise out of martyrdom.  
Can glee and gloom have sharing hearts,  
Can the yin and the yang stay in balanced parts,  
Can we ever realize, a salts freedom,  
Can men ever rise our martyrdom?  
Open-eyed I see our ruthless ways,  
And open it still dream of happier days,  
I stand and dream of the day to come,  
When men shall rise out of martyrdom.

## LIFE IS NOT A BED OF ROSES

Life is Not A Bed of Roses  
It has thorns too...  
There will be times in life  
Which will make you sad.  
Every happening taking place,  
Wouldn't make you glad and give you solace.  
Your every word won't be agreed.  
There will be someone to oppose,  
Someone who won't like,  
Whatever you have proposed.  
Criticism you'll have to face,  
With each passing day and disheartening  
pace.

Life is not a Bed of rosses  
It has thorns too....  
To achieve something in life  
Is not a Child's play,  
Along with friends you'll have,  
Some foes too,  
The sky above might turn,  
Dark from pleasant blue,  
Tears will run down your cheeks  
You'll have a lot of pain,  
Every time you won't be sheltered.  
From sunshine or showering rain.  
There will not be privacy always,  
There'll be poking noses,  
Don't forget the phrase that  
'Life is not a bed of roses!'  
It has thorns too...

### हिसाब

हिसाब हर बार

जब भी आँखे नम हुई,  
और जीने की आस कम हुई,  
सोचा, कि आंसुओं का,  
तकियों की नमी से बढ़कर,  
कुछ तो हिसाब होता होगा,  
कोई तो देखता होगा।

### हर बार

जब भी हारकर गिर पड़े,  
और मंजिल दूर होती लगी,  
सोचा, कि उठ खड़े हों,  
धूल झाड़ें और चल पड़ें,  
किसी तरह कदम बढ़ाए,  
कहीं तो जा पहुँचेंगे।

### हिसाब तो हुआ,

आँसुओं का भी, कदमों का भी।  
आँसू तो आँसू थे, जुड़े तो आँसू ही बने,  
बहे और उड़ गए, किसी को खबर भी ना  
हुई।  
कदम जो जुड़े, हमें कहीं पहुँचा गये,  
शायद, मंजिल से कहीं आगे।

## भोर

(1) एक किरण ने सुबह - सुबह  
जब आकर मुझे जगाया।  
मुर्गा बोला कुकड़-कूँ  
चिड़ियों ने गीत सुनाया।

(2) भोर हो गई आलस छोड़ो,  
झटपट तुम उठ जाओ।  
हो तैयार चलो तुम पढ़ने,  
तनिक न देर लगाओ।

(3) मैं भी झट तैयार हुआ,  
आलस न मुझको आया।  
झटपट गया विद्यालय में,  
पढ़ना भी मुझको भाया।

(4) पढ़ना लिखना, ज्ञान सीखना।  
ये जीवन के काम।  
बड़े बनो, यश धन को पाओ।  
सदा बढ़ाओ मान।

## समय का सदुपयोग

मनुष्य को समय का सदैव सदुपयोग करना चाहिए। समय व्यर्थ में व्यतीत करना मूर्खता है। हमारे जीवन में कल क्या होगा यह कोई नहीं जानता। अतः भविष्य के ऊपर कोई भी कार्य हमें नहीं छोड़ना चाहिए। समय के साथ जो व्यक्ति चलता है वही कामयाब होता है। उसे जीवन में कभी पछतावा नहीं होता, क्योंकि वह सब कुछ हासिल कर लेता है। यदि हम में से कोई भी समय के मूल्य को नहीं समझता। हमें बिना समय गंवाएँ समय का सही उपयोग करना सीखना चाहिए। अगर हम अपना समय बर्बाद करेंगे, तो समय हमारी पूरी जिंदगी बर्बाद कर देगा। समय का दुरुपयोग करने वाला व्यक्ति अपनी जीवन में कुछ हासिल नहीं कर पाता और जब उसका समय व्यतीत हो जाता है तब वह पछताता है। समय पृथ्वी का सबसे मूल्यवान वस्तु है, इसकी तुलना किसी से भी नहीं की जा सकती। इस संसार में सबकुछ समय पर निर्भर है।

## “यह वक्त भी गुज़र जाएगा”

एक बार की बात है। राजा अकबर ने सोचा कि उन्हें अपने प्रजा की बुद्धिमत्ता की परीक्षा लेनी चाहिए। तो उन्होंने यह ऐलान किया कि जो भी उनके प्रश्न का उत्तर देगा उन्हें वे 10 हजार स्वर्ण मुद्राएं प्रदान करेंगे। अकबर का प्रश्न था कि “कोई भी ऐसा वाक्य बताओ, जिसे दुखी व्यक्ति पढ़े तो खुश हो जाए और सुखी व्यक्ति पढ़े तो दुखी हो जाए।” सारी प्रजा बोल रही थी कि भला ऐसा कैसे हो सकता है, इसका तो कोई उत्तर ही नहीं होगा। कोई भी इस प्रश्न का उत्तर न दे पाया तो राजा ने अपने दरबार नवरत्नों से पूछा। थोड़ी देर तक कोई जवाब नहीं आया तो राजा अकबर बोले क्या मेरे दरबार में भी ऐसा कोई व्यक्ति नहीं है जो मुझे इस प्रश्न का उत्तर दे सके। तभी बीरबल बोलते हैं मुझे आपके प्रश्न का उत्तर पता है। तो अकबर प्रसन्ना होकर कहते हैं कि बताइए बीरबल। बीरबल बोलते हैं, “यह वक्त भी गुजर जाएगा”। अगर कोई दुखी व्यक्ति बोलेगा कि यह वक्त भी गुजर तो उसे खुशी का अनुभव होगा और यदि कोई सुखी व्यक्ति बोलेगा तो उसे दुख का अनुभव होगा। अकबर कहते हैं बीरबल तुमने सही उत्तर दिया। इस छोटी सी कहानी से बस मैं आपको यह बताना चाहती हूँ कि हमें कोरोना के इस दौर में दुखी नहीं होना है क्योंकि “यह वक्त भी गुजर जाएगा”

एक दिन बढ़ाऊँगी, अपने गुरुजनों का मान।

## कोरोना

स्कूल सब बंद हो गए थे, रास्ते हो गए सुनसान ।  
कोराना जैसी बीमारी से, सब थे परेशान । ।

हम घर में थे, मास्क से हुई पहचान ।  
बॉडी को सैनीटाइस किया, फिर मिटी थकान । ।

मैंने इस लॉकडाउन में, बहुत कुछ सीखा ।  
सभी का अपना अलग है, जीने का तरीका । ।

मैंने है खो-खो खेला, और है मैंने दौड़ लगाई ।  
कभी-कभी कुश्ती में कर दी, मैंने भाई-बहनों की पिटाई । ।

ऑनलाईन में पढ़ना सीखा, सीखा मैंने साईकिल चलाना ।  
भाई-बहनों के साथ ही मैंने, और सीखा लेपटॉप चलाना । ।

मम्मी-पापा ने जो बात सिखाई, कभी नहीं भूल पाऊंगा ।

## मेरा निवेदन

सुबह उठ, मैं गया बगीचा,  
गुलाब में था, पत्तों का गलीचा ।  
मैंने पानी डाला उस पर,  
उसने बोला, मत डालो यहाँ पर ।।  
ठंड लगी थी उसको शायद,  
पानी देना मेरी थी आदत ।  
थोड़ी देर में धूप आ गई,  
पूरी बगिया फूलों से छा गई ।।  
मेरा सबसे है निवेदन,  
सुबह उठ करो ईश्वर वंदन ।  
छोटा हूँ, मुझे न कोई काम,  
पढ़ाई कर, मैं करता हूँ आराम ।।  
निवेदन है मेरा सब से,  
कर्तव्य करें सब अब से ।  
कल पर न छोड़े कोई काम,  
बात नहीं यह कोई आम ।।  
सभी करे समय का उपयोग,  
बच्चे हो या बड़े लोग ।

तुम कभी न होगे फेल ।।

## माँ

गुल से, गुलशन से, गुलफाम भेजा है ।  
सितारों ने गगन से, माँ के लिए सलाम भेजा है ।  
भावना है, एहसास है माँ  
जीवन के फूलों में, खुशबू का आभास है माँ ।  
पूजा की थाली है माँ, मंत्रों का जाप है माँ ।  
माँ ही है इस जहाँ में, जो है सबसे न्यायी ।  
सींचती है जो हमारे, जीवन की क्यारी ।  
माँ त्याग है, तपस्या है, सेवा है माँ ।  
पृथ्वी है, जगत है, धूरी है माँ ।

## दुनिया के रंग

कर कुछ ऐसा, दुनिया बनना चाहे, तुम्हारे जैसा ।  
याद करे, हर पल तुम्हे ये जहान ।  
देश के लिए, कर जाओ कुछ ऐसा ।  
कि तुम हो जाओ अमर सदैव के लिए ।  
कर जाना तुम यूँ ही बुराई छोड़ कर ।  
याद रखे इतिहास स्वर्ण अक्षरों में ।  
तुम्हारी मृत्यु पर,  
तुम्हारे चेहरे पर मुसकुराहट, और दिल में सुकून हो ।  
ऐसा कर जाना अपनों के लिए,  
हिम्मत और साहस, तुम यूँ सबमे भर दो ।  
सही और गलत का फर्क, तुम यूँ सब में रंग दो ।  
कर जाओ कुछ ऐसा, कि कभी,  
महारानी लक्ष्मी बाई और महाराणा प्रताप जैसे ।  
देशभक्त के साथ तुम्हारा नाम हो,  
दिल के हर स्वर पर तुम्हारे, सिर्फ देश का नाम हो ।  
तुम में दौड़ती हर रक्त की बूँद, गूँज जाए बस एक  
बात,  
मेरा भारत है अमर, मेरा भारत है अमर ।

## तो क्या हुआ ?

तो क्या हुआ, अगर मैं स्कूल नहीं जा सका,

आए कोरोना, या कोई भी रुकावट,  
हौंसला बढ़ाने को, शिक्षक कई मेरे साथ हैं ।  
तो क्या हुआ, गर मैं नहीं मिल सका,  
एक साल, अपने दोस्तों से ।  
जी भरकर बातें करने, फोन जो मेरे पास है ।  
तो क्या हुआ, गर सूना रहा,  
स्कूल मेरा, मेरे इंतजार में ।  
मनाएँगे खुशियाँ, जी भरकर,  
खिलेंगे फूल, फिर बहार में ।  
तो क्या हुआ, गर मैं घर पर ही रहा,  
कोरोना के इस काल में ।  
बहुत कुछ है, सीखा मैंने,  
2020 के, इस साल में ।  
तो क्या हुआ, गर मैं गा न सका,  
गाया है सुंदर मेरे शिक्षकों ने ।  
किया है सम्मान, योद्धाओं का,  
जान भी दिया है, हमारे अपनों ने ।  
तो क्या हुआ, गर सड़कें सूनीं रहीं,

## “माँ संग मैं सच्ची हूँ”

प्रभु मैं तो अबोध, अभी नहीं सीखी इठलाना,  
अभी तो आई थी जमीं पर, तू ही बताना ।  
मैं बेखबर, मेरी माँ, इतनी प्यारी हो गई,  
जो जुदा किया मुझसे, मैं भिखारी हो गई ।  
मैं जन्म दोष समझूँ, या समझूँ कर्मदोष,  
कोरोना ने मुझ अबोध से, छीनी माँ निर्दोष ।  
न तो भक्षण की चमगादड़, न गई सरहद पार,  
इसी जमीं पर भूख से, वह लड़ी थी बारम्बार ।

## कोरोना

क्या दिन थे हमारे?  
और आज देखो,  
क्या दिन आ गये।  
गली, मोहल्ला सुनसान है,  
सड़के पड़ी है वीरान।  
ना बच्चों की किलकारी,  
ना बुर्जुगों की चहल-पहल।  
सूने है, उद्यानों के झूले,  
ना पाठशाला की गाड़ी।  
ना घूमने का है बहाना,  
और ना रहे मस्ती वाले वो दिन।  
एक दिन था, जब,  
हम मिलकर मनाते थे,  
तीज-त्यौहार।  
रह गये अपने घरों में बंद,  
कब आयेंगे वो दिन,  
जब आएगी बहार।

## प्यारी बेटियाँ

है समस्या बेटे गर, समाधान है बेटियाँ।  
तपती धूप में जैसे, ठंडी छाँव है बेटियाँ।।  
होकर भी धन पराया है, पर सच्चा धन है अपना।  
दिखावे की दुनिया में, गुप्तदान है बेटियाँ।।  
अपनी बदहाली की, की सबने बहुत चर्चाएँ।  
है डाँकती कमियों को, मेहरबाँ हैं बेटियाँ।।  
तनाव भरी गृहस्थी में, चारों ओरत नाव।  
व्यंग्य-बाणों के बीच, जैसे ढाल है बेटियाँ।।  
हैं दूर वे हम सब से, है फिक्र उन्हें हमारी।  
करती दुआएँ हर दम, ध्यान रखती हैं बेटियाँ।।  
है बेटा कुल-दीपक, घर ये रोशन जिससे।  
वो घर जिन से परिवार, वह बुनियाद हैं बेटियाँ।।  
है लोग वे जल्लाद, जो खत्म उन्हें है करते।  
टिका जिनपे है परिवार, वह बुनियाद हैं बेटियाँ।।  
माँगती है मन्नत, बेटों की खातिर दुनिया।  
अपनी नजर में दोस्तों, महान है बेटियाँ।।

## नव जीवन की किरणें

"सपने की एक किरण  
मुझ को दो न,  
है मेरा इष्ट,  
तुम्हारे उस सपने का कण होना  
सब समय पर आया है,  
सब समय पराया है,  
बस उतना क्षण अपना  
तुम्हारी पलकों का कँपना  
मानों दिखा,  
लजीली किसी कली के  
खिलने का सपना!!  
तनिक - सा चमक खुलना  
फिर झँपना  
तुम्हारी पलकों का कँपना!!!!!"

## मैं एक शिक्षक हूँ

प्रलय और निर्माण सदैव मेरी गोद में पला है,  
मानव सभ्यता का मैं ही जनक हूँ।  
मैं एक शिक्षक हूँ।  
जीवन का हर क्षण मैंने शिक्षा को समर्पित किया है,  
समाज को आकार दिया है।  
मैंने ही भावी पीढ़ी का, चरित्र निर्माण किया है।  
ज्ञान ज्योति से पथ आलोकित किया।  
जीवन का पथ प्रदर्शक हूँ, मैं एक शिक्षक हूँ।  
जब संपूर्ण विश्व महामारी से जूझ रहा था,  
अस्पताल में सफेद कोट पहने भगवान खड़ा था,  
सड़क पर खाकी पहने, हर सिपाही ने मोर्चा संभाला था,  
मैंने भी तो अपने हिस्से का, महाभारत घर से ही लड़ा था।  
ना जाने कितने ही भावी इंजीनियरों और डॉक्टरों को गढ़ा था।  
आपकी तरह हमने लॉकडाउन नहीं जिया था,  
परिवार और बच्चों की फरमाइशों को नजर अंदाज कर,  
वो समय भी अपने छात्रों को दिया था।  
समय की इतनी क्रूरता के बाद भी  
शिक्षा के भविष्य के लिए चिंतित हूँ  
क्योंकि मैं एक शिक्षक हूँ।  
इतनी पीड़ा और अनिश्चितता के बाद भी,  
मैं उसी उत्साह और उमंग से फिर उठूँगा,  
हर विद्यार्थी के सपनों में, फिर से रंग भरूँगा,  
फिर से राष्ट्र निर्माण करूँगा,  
शिक्षा के लिए आज भी, मैं उतना ही प्रतिबद्ध हूँ,  
क्योंकि मैं एक शिक्षक हूँ।

## जीवन के पल

मेरे तो जीवन के,  
अनेक पन्ने खाली हैं।  
पर जितनी भरी है,  
अनोखी खुशहाली है।

कुछ चाहकर तो कुछ,  
अनचाहे में लिखी।  
जीवन सरल सादा पर,  
किन्हीं को टेढ़ी दिखी।  
हर एक पन्ने सुंदर निराले,  
भले ही स्याही काली है।  
पर जितनी भरी है,  
अनोखी खुशहाली है।

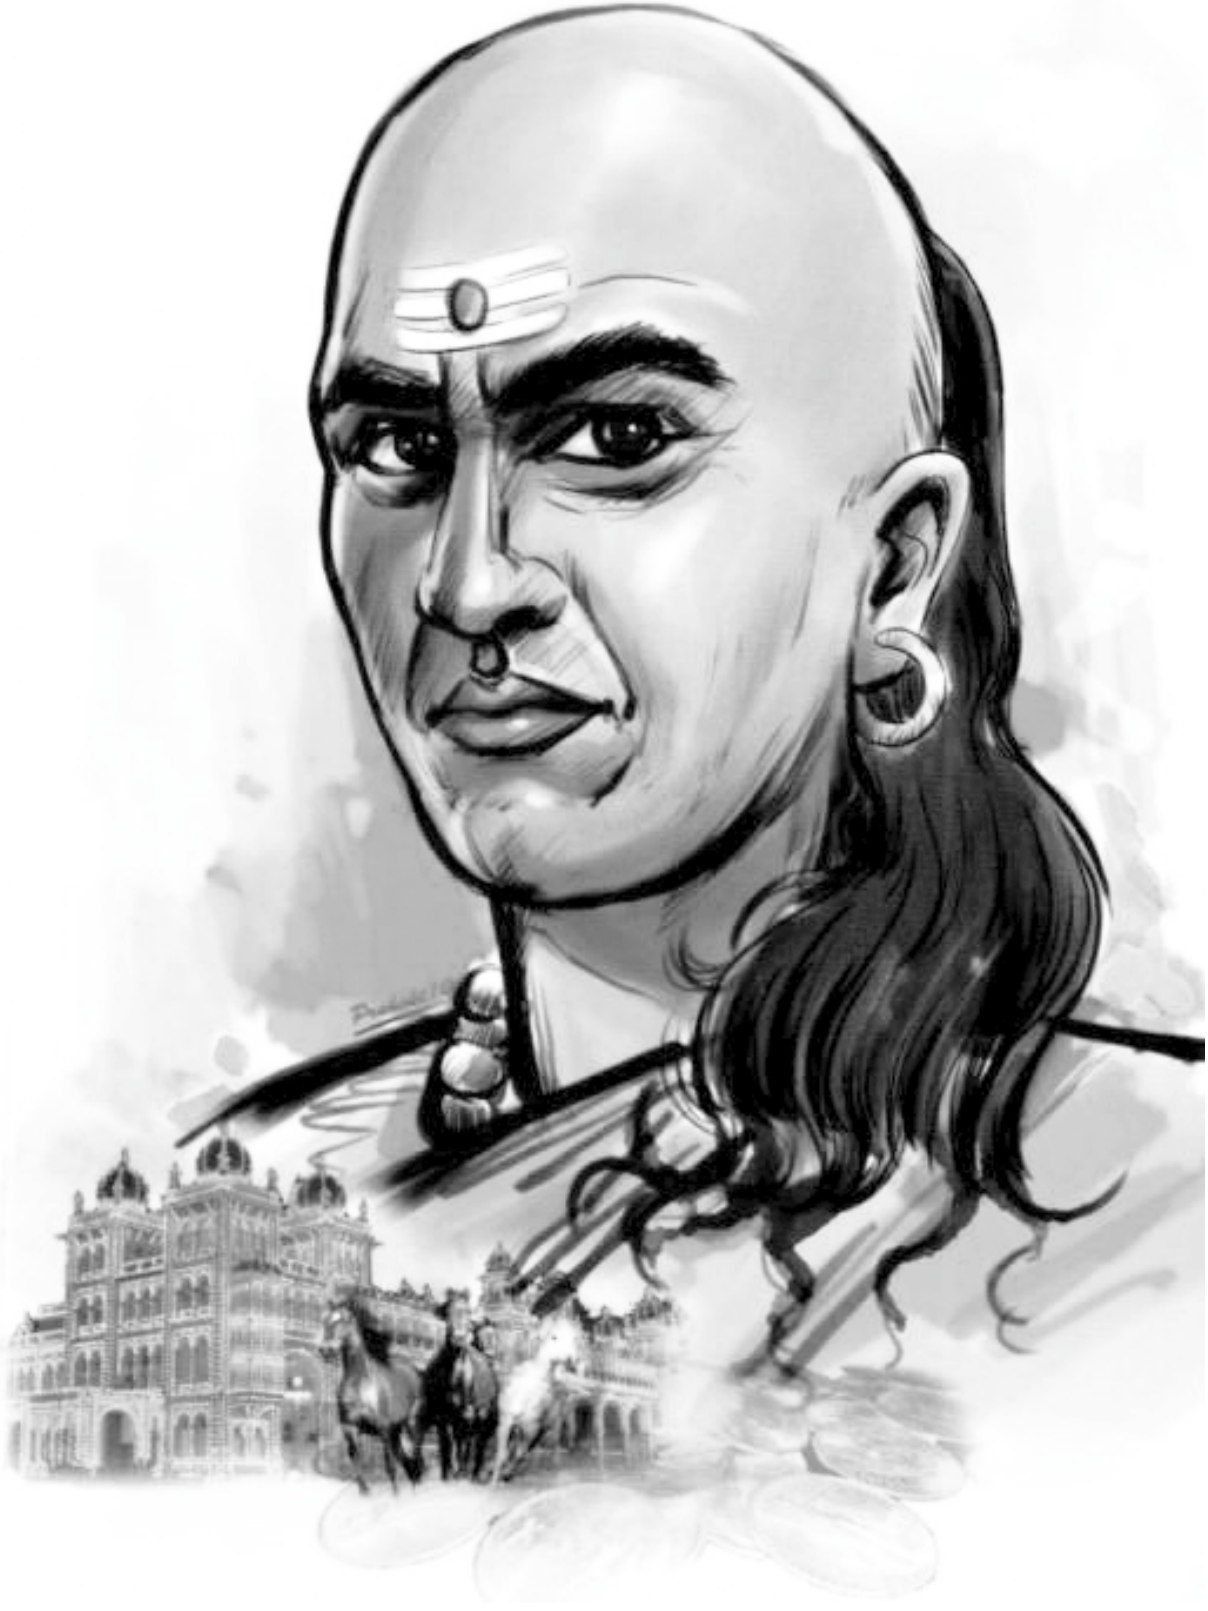

विश्व पूरा कुटुम्ब समझने,  
आतुर मेरा स्वदेश।  
ऐसा ही स्वभाव मेरा,  
न अहं, न ही क्लेश।  
पत्थर में दिखते भगवान,  
मन मस्तिष्क निराली है।  
पर जितनी भरी है,  
अनोखी खुशहाली है।
